

AUTREYU DORIAN CLARK

March 27, 1986 - July 4, 2021

Autreyu Clark, was born March 27, 1986, to Washington DC. He was born and raised in the same place but moved around quite often, he still remained to stay in the city. He has worked many years before God called him home. Studied at National Massage Therapy Institute, He graduated from that institute and became class of 2013. He has worked in the same elementary school for eight years, Viers Mills Elementary School. Poohbear participated in and loved to cook on the grill, spending time with his family and enjoying life and his job. Pooh bear was graced and gifted our lives by his selflessness and willing to help anyone he could. Pooh bear helped anyone he could no matter what. He was committed to making people happy even if he was not. He put many people before his own and he was a loving man who just wanted to be happy and take care of his kids. His smile lit up the room no matter the mood he was in.

Autreyu leaves to cherish his precious memories beginning with his children: Tai'Shun Neal Clark, Que'Shun Neal-Clark, and Zayvonn Neal-Clark; two parents: Lynette Ayeni and Tony Little; three siblings: Steven Clark, Shadonna Sherod and Nicholas Sheldon; two aunts: Tanya and Viki. Uncles: Charles Jackson, Derek Jackson and Melvin Clark; Seven cousins; Shannon, Quinton, Charles Jr., Cuetta, Melvin Jr, Ena and Devin; four great cousins: Wanya', Emonie, Rocquelle, and Mi'Zonie. His loving friends and girlfriend, Pamela Weaver..... We will all deeply miss you!

“ *I met Autreyu when he was about 6 years old at Oxon hill assembly of Jesus Christ. He was always soft spoken and well mannered right into his adulthood. I had the occasional of spending many meaningful holidays with him as he was son to my sister's husband and her stepson, whom he fondly referred to as mom, and she referred to him as son. He cheerfully gave of whatever he had to whom ever would ask of him. He adored and loved his children. God Bless you Trey may your soul rest peacefully. You will be missed by many. Much Love to you Ms. Pam*

“ I had the pleasure of working with Trey at Viers Mill, but he was more than a coworker. He was a joy to be around, always ready to lend a hand and brighten your day. He cared about everyone with genuine concern, and always wanted to know what was new in our lives. He was so proud of his sons and loved being a father. The students all loved "Mr. Trey," including my own kids who go to Viers Mill. It was devastating to have to tell them this awful news, and since I've been in the building for summer school, I keep expecting him to come around the corner with a big smile and a song. He will be so sadly missed, and we are heartbroken for his family. Our school will not be the same without him, but we are so much better for the time that we got with him.

Trey, what's good with you today?
Everything! Everything! How you doin'?

Love and prayers to his family.

“Trey (Pooh Bear) was such a sweet, kind, wonderful man. He was part of the heart of Viers Mill Elementary where he lit up the hallways and classrooms with his singing, smile, and laugh. He was helpful and supported the teachers, staff, and children of our school.

I remember him as being a proud father and a loving son. He loved to share stories and pictures and always had time to stop and chat about life.

I cannot imagine our school without him. He will always be fondly remembered and cherished.
