“ *Bernard was my closet friend . It didn't matter that we lived hundreds of miles apart. His nickname for me was Babyface. He was always so kind and supportive to me and my family. The world has lost a beautiful soul. I'm devastated of the loss of my friend. My God keep his beautiful mother and grandmother who he talked about all the time in his loving arms. Give them strength and endurance. I love you my warrior. You were the best friend I've ever had. May your soul rest*
