“ *I never thought this day would come so soon. I remember telling friends and family I don't know what I would do if there comes a day when I couldn't take you to the store on Wednesday. That was our day. This is so unreal for me. I am waiting to awake from this nightmare but I can't wake up from it. I wanted to call you the other day but remembered I couldn't. It just feel like Wednesday haven't gotten here yet so I'm still waiting to take you to the store. I miss you sooo much. My heart hurt.*

Cousin I feel your pain and truly understand what your going through we not only had dads but we had Fathers and nothing or no one could ever take their places just know it's gonna be hard and you'll have your days but one thing I know is that uncle Charles is looking down on you smiling. I'm speaking from experience because it's been 8 years and I still hurt today I love you and stay strong it gets better with time!
