“ *I shall miss you myLove. I remember when you & Brooklyn met at the age of 2. My God! what a journey that was:) I appreciate you being there for Brooklyn; for never leaving her. Everyone stopped talking to Brookie after her sugery...except you. You treated her with love & care; very gentle with her. I appreciate you & ypur Family. I appreciate your Mother, Ms.Dutchess & your father sharing you with us. God bless BabyGurl & I shall see you again one day. I thank God you are in Heaven with Him. MWAH!*
