“ Dear Family,
May the God of all comfort and peace be with you as you go through this life changing event in the passing of your mom. However, let me encourage you with these words that says, "For I reckon that the suffering of this present time are not worthy to be compared to the glory which shall be revealed in us." The pain and agony of cancer has been replaced with a glorified body. She's now at home with her Lord and Saviour, Jesus Christ waiting for you to join her. You are in my prayers. Yours because of Calvary, Minister Phillip Frazier

“ May God of all comfort give you peace during this time. May the love of family surround you. Please remember you have memories of her with you. Hold tight to those memories. No one can take those from you. Cherish those memories. You are sad and crying right now but one day you will come across something she liked or hear her song or smell her favorite scent remember the memories and a smile will come across your face because you know where she is. A better place with no pain. Hugs and kisses. Deaconess Jewel Belk

My prayers are with the family during this time. Denise had a sweet spirit and loved the Lord and aimed high to do what God would have her to do. Denise was a faithful Usher Board member even during her time of sickness. Rest in the arms of God.
