“ *Donnel and I were neighbors for 14 years. He was a kind and gentle soul with a sense of humor. He was not one that held grudges against his neighbor's even when he was violated or disrespected. His response would be " God bless you". He was truly a people person. We developed a strong friendship over the years. He shared some of his most intimate secrets concerning his family and friends that was troubling to him. The on going joke between us was I was his teacher and he was my student, and my response would be, he failed all his classes and I'm refunding his tuition and banning him from the school for not following instructions. Donnel was very generous and was always willing to help anyone that was in need. He will be greatly missed. The neighborhood will not be the same without him. Rest In Peace my friend.*
