“ I remember him from when i was a child. He spoiled me terribly. Always taking me on walks ,to the store or when he was just hanging out. He very frequently carried me on his shoulders and always called me his baby girl. I was living at my aunt Corines home at the time. I can honestly never remember a day i was not happy to see him. He was like my protector and big brother. I love you Allan

When Lucas came to Engine Co. 19 as a firefighter in the 1970's I was his Lieutenant. on drill days we would go to Fort Dupont part so he could practice ,he did good.I retired from E-19 in 1980.When I just read about his passing, I told m wife your not going to believe this, but just yesterday I thought about him.I asked her if she remembered meeting him several years ago at the Fort Washington Marina, he was standing in his sailing boat.he saw me get out of my car and he hollered to me. We had a nice conversation and he was so proud of making Captain.He me about his aircraft.I did not know he had been in the Navy. I was in the A.F. from 1956 to 1960. I remember Capt. Lucas as being well liked, polite, pleasing and a nice man. I'm sorry that I can't come to his funeral. I'm 81, had cancer and two open heart surgeries also I live in N.C. I'm so sorry for your loss. I won't forget him.Good by Lucas may you rest in Peace. Retired Lieutenant James R. Eschbacher
