

Mr. Harry Lee Williams

December 17, 1941 - October 7, 2019

Harry Lee Williams was born on December 17, 1941 to Susie and Walter Williams. He was born and raised in Washington, D.C. He entered eternal rest on October 7, 2019 at Washington Hospital Center.

Harry attended Cardozo Sr. High School. He was a hard worker. He worked for GSA. Everyone admired his work ethic. He was the head Landscaper of the White House.

Harry was a true family and friends' man. He loved lots of people and many people loved him. His hobbies were fishing, gardening and playing cards on Friday nights with his son, nephew and cousins. He enjoyed going to the country and casinos. He was a Washington DC sports fan always misplacing the TV remote as he watched the Wizards and Redskins game. He enjoyed watching Family Feud and Wheel of Fortune. If family and friends were gathering, he was sure to be the party starter and always bobbing his head or dancing with or without a partner. He enjoyed being around family and friends all the time and often retold stories backwards. (LOL) That was his humorous side.

Harry was loved by everyone who had the pleasure of meeting or knowing him. He was preceded in death by his son, Vincent and first wife, Lois Williams.

He leaves to cherish his memories his devoted wife of nine years, Mrs. Veronica Parr Williams; Troy and Diane Williams (Son & Daughter) Jerry and Felecia Parr, Jennifer and Jasmine Parr, (Step Children) and a host of other

family and friends.

Harry will be deeply missed by all who loved him dearly.
