Johnnie will be sorely missed. He has been my friend for 33 years and we have shared some wonderful memories as I know he has with his family and friends. I love him and I am truly going to miss him so very much.

Ms. Duckett, Mr. Duckett and Erica I know that your heart is heavy and it seems like this is just an awful dream but, remember that he loved you all and he spoke of you and his grandchildren often. He was a ONE OF A KIND MAN and can never be duplicated. As he is so very special to me I know that he is special to you all as well. We will keep his spirit alive by speaking of him and thinking of him often.

May God give you peace beyond all understanding. God Bless you!!
