“ *I am very sorry for your loss and would to express my sympathy to the family. God promises us at Revelation 21:4 that soon, “death will be no more.” God hates death and views it as enemy, which is why he yearns to bring back those who are in his memory (Job 14:14, 15). Knowing how God feels about the matter truly warms our hearts, because he not only understands our grief, but the promise of a resurrection means an end to it! May these future blessings comfort and uplift you all during this difficult time.*
