“ *It still doesn't seem real. Although I didn't know your Mom closely Lynn, she is definitely reflected through you and your children. She left her mark of faith, laughter, and love. I know it's hard and I am praying for you and your family's strength to get through this.*
Hugs,
Tiffany

“ *Grandma, you are my light when there is darkness. My hope when I'm hopeless. My friend, my shot gun rider, my comedian, my role model and my angel. I love you beyond words. You are the meaning of strong. The definition of warrior. God gives his toughest battles to his strongest soldiers. You are love. I miss you every second of everyday. The way we use to play. The love you use to give could only come from you. The cooking, the food, the experience we shared, I will never forget. Rest in Paradise my wonderful guarded angel.* ❤️
