“ Uncle Melvin I have to admit, we had some funny Friday night conversations. I would call you and you would ask "WHO IS THIS"? I would say "UNC which niece you know call you"? You always said "HEYYYYYYYY BABY THIS MY ANGIE, YOU ALWAYS CALL ME DON'T YOU? I would say "That's right"! You would just laugh. I would say "you know it's me Uncle Melvin" and you would tell me about your week and what you had going on and would have me in stitches. You was my comic relief and that one funny uncle everyone should have. I'm going to miss you and I'm so sorry I wasn't there to say goodbye. You're not suffering anymore and I will always cherish our conversations.

Love you to the moon and back Uncle Melvin,

Your niece Angie!!!!
