“ *I'd been friends with Sterlin for over 30 years. I didn't find out about her passing until I called wondering why she hadn't call to wish me a Happy Birthday like she's done for 30 years. Sterlin was a beautiful person. Rest in peace my friend.*

“ *My condolences to your family!*

Ms. Sterlin had a wonderful spirit. She was a beautiful soul.

I met her last year, when she did my taxes for the first time. She was very thorough and professional. Recently, I left her a message to see if she could do my sister's taxes. When she didn't respond, I knew something was wrong.

I received a call from a mutual friend today, who told me she passed. I am heartbroken over the sad news.

God bless the family!

“ *My sincere condolences to the family. Sterling and I were bidwhist card partners in several of the MWPC tournaments, and had our fair share of wins. She never missed sending a card or a call to you on your birthday. Rest in peace my dear friend. Blessings, Danette*
