This is Iris and I wanted you to know that I am thinking of all of you during this time of grief. Vicky had a good spirit and always was nice to me. She made the best potato salad...yum! She took after her mother when it came to cooking. Even though I am no longer living in your area, I keep in touch with Barbara. I was deeply saddened by the news of Vicky's transition. She still will live on in her children, grandchildren, great-grandchildren, and the ones that will continue to be born. Sending my love to all. Iris Nialmani-Truth (sister-in-law)
